Fecal Egg Count (FEC): Number of small strongyle eggs identified in one gram of manure.

Chemistry: Protein, electrolytes, kidney enzymes, liver enzymes.

CBC: White blood cells, red blood cells, platelets.

Terms and Conditions

Sign-up is from 12/11 through 4/15/12 for Option 1, 2 and 3. Enrollment begins at the receipt of payment prior to first visit. There is no carry over to the following year.

Payment and enrollment are required prior to appointment. We accept cash, checks, and major credit cards for your prepayment convenience.

If an enrolled horse dies or is sold while participating in the wellness program, a prorated refund will be given or you may transfer the level to another horse (with a limit of one transfer per term).

Selected levels may not be changed during enrollment term, but may be changed the following enrollment year.

Any discounts offered through the wellness program can only be applied to the enrolled horse.

If all services offered in your selected level are not utilized within the enrollment term there is no refund or substitution.

Should your horse require or you request advanced dentistry (extra sedation or extractions) you will be responsible for the difference in price between a motorized dentistry (included in your package) and advanced dentistry.

Participants may split call fees, but additional unscheduled horses will not be seen during a wellness appointment to ensure adequate time to evaluate your horse.

The following services are **excluded** from the wellness program:

*Call fee

*Initial booster vaccines

*Additional services not specified

A 50% discount on the call fee will apply when seeing 3 or more horses for the same owner or when seeing 5 or more horses at the same farm or location that are enrolled in any level of the wellness program.

Reminder – To receive the full benefit of your wellness plan, please collect a fresh manure sample (2-3 fecal balls) to provide your veterinarian during your wellness appointment. The sample should be placed in a Ziploc bag and should not be more than 24 hours old. If collected the night prior to your appointment, the sample should be refrigerated. Remember to label the Ziploc bag with your name, your horse's name, and date.
